

BRINGING EMPLOYER,  
EMPLOYEE SOLUTIONS

*Helping youth and adults with disabilities to find employment and be successful in the workplace*

## **BEE Successful Employer Solutions**

---

78% of Canadians are more likely to buy a product or service from businesses that employ people with disabilities.

By hiring diverse staff, you are positioning your organization as an inclusive and progressive company.

Together, we identify job requirements, including knowledge, skills, abilities, and attitudes, for the best fit in your work environment.

We provide ongoing support throughout the hiring and training process.

---

**Consider hardworking, committed, positive, engaging ambassadors for your services and products.  
Consider Disability as a solution!  
Consider Employability as a solution!**

---

*Employees with disabilities: use less sick time; remain in positions longer; positively impact staff morale and work culture.*

Seek out **BEE Successful** to meet your workforce needs.

Call today for a tailored solution to your needs or email to get started.
